

## Higher experiences when visiting Styrsö

We at StyrsöBo Konsult & Service are pleased to always offer you the best service, and we do everything we can to make you satisfied as customer.

Lizette is my name and I am educated as Travel Consultant and Guide. I collaborate with my husband Tobias. We live in Gothenburgs Sothorn Archipelago and are happy to receive assignments at different events. With many contacts in- and outside our archipelago we can fix almost everything for you. We can provide any kind of driving ashore and transportation at sea. Do not hesitate to ask!

Renting summerhouses in the Archipelago is very popular and demand is growing. For the summer period you should be out in good time – especially before Midsummer. But even a weekend or a couple of days in autumn, winter or spring it is lovely in our archipelago so we welcome you even then. We have a homely and varied range of different types of accommodation in private ownership. We have our own Ateljén with 2 beds and the large family house with 6-8 beds which can be extended to 10 beds with mattresses. You can rent weekly or daily.

*Our own "Ateljen" is very comfortable*

During the winter months, several accommodations are rented to students but if you send a request, I will search other accommodations through contacts. We put you as a customer in focus!

We also offer arrangements of various kinds. Here, however, we would like to book you at Pensionat Styrsö Skäret or Kajkanten Vrångö if you are a larger company or if you want single rooms. We tailor packages and will gladly help you with a wedding, party or conference. For example: Business events – may include a conference where we can book a sauna/hot tub one evening with seafood buffet in cooperation with famous Callekock Catering Dinner & Event. We can also offer a conference and large party room in Ishuset at Styrsö Sandvik. Or a gastronomic experience with 5 dishes in the Food studio in Styrsö Sandvik.

We can offer ALL from just booking the event, to fix accommodation, food, catering staff, preparation and cleaning. Also pick up and drop off transport on the Island. If you have any questions or concerns, please feel free to contact us directly.
